

TOM GRESHAM'S  
**GUN TALK**

WEGENER

- All local breaks are covered + #
- The program starts at 6:30 with a hard open and no space for a local liner, promo, etc.
  - There's a 10 second open window at the end of both of the 3 minute Network breaks, but no netcues.
  - If you want to fill the open windows, it will have to be done manually. The Network breaks are different times every week - your board op will need to monitor program.
  - There's a 10 second open window at :34 and :54

**Netcue closures:**  
# **Local K1**  
+ **Rejoin K3**

The rejoin is there at 6:30 **IF** you cover the 30 sec Network Promo at 6:00 and treat it like a local break. If you start the show at 6:00 and air the Network Promo, there is no need to program the rejoin.
